

proudly presents!!!

As result of our constant effort to improve the relationship with our customers and providing the best possible service World Wide, GovLog has developed the Military Tracking System, short "MTS".

This gives you the opportunity to track all your shipments at any time from any place. We call this **Information at Your Fingertips Always and Anywhere.**

On the next pages you will find an explanation how you can get into MTS, and how you can get your information from it.

We hope you will take advantage from this possibility and make use of it as much as possible. If you have any problems, questions, or remarks do not hesitate to call us, or send an e-mail.

To report any problems or ask questions about the tracking system, you can send an e-mail to support@gosselingoup.eu

The screenshot shows the GovLog login page in a Windows Internet Explorer browser window. The browser title is "Gosselin - Windows Internet Explorer" and the address bar shows "http://194.78.180.99/Login.asp". The page features the GovLog logo and two main login sections: "CUSTOMER" and "CARRIER/PORT-AGENT TRANSPORTATION OFFICE".

CUSTOMER

When you are a **customer**: type the GBL Number and your Social Security Number, and click the Submit button to see your detailed shipment information.

Click this to see Gosselin Contact Information.

Click for information if you have problems with login on.

Troubles logging in?

1. Choose **Tools - Internet Options**.
2. Click on the tab **Advanced**.
3. Find the section **HTTP 1.1 settings** in the listbox.
4. Make sure both checkboxes are off.
5. Press the **Apply**-button.
6. Close the window by clicking **OK**.

Print Close

Internet Options

General Security Content Connections Programs **Advanced**

Settings:

- Always
- Hover
- Never
- Use inline AutoComplete for Web addresses
- Use inline AutoComplete in Windows Explorer
- Use smooth scrolling
- Use Web Based FTP
- HTTP 1.1 settings**
- Use HTTP 1.1
- Use HTTP 1.1 through proxy connections
- Java VM
 - Java console enabled (requires restart)
 - Java JIT compiler enabled
 - Java logging enabled
- Multimedia
 - Always show Internet Explorer Radio bar
 - Play animations

OK Cancel Apply

Notification area where you can find important messages related to the Military Tracking System.

The screenshot shows a web browser window displaying the GovLog Military Tracking System interface. The page features a navigation menu with four main sections: Shipment Tracking, North Atlantic Services - NVOCC / Gosselin Airfreight Division, Carrier related documents, and Vessel/Voyage related documents. Each section has a list of sub-links. A search bar labeled 'Find GBL:' is located on the right. At the bottom, there are three buttons: 'Personal', 'Military Registration System', and 'Back'. Yellow callout boxes provide instructions for each of these elements.

- Shipment Tracking (click to activate)**
 - Shipment Information
 - Vessel Information & Container numbers
 - Weight Pieces Details
 - Contact Information
 - Delivery Information
- North Atlantic Services - NVOCC / Gosselin Airfreight Division (click to activate)**
 - Vessel Information
 - Ocean Bill Of Lading Detail
 - NAS Invoice
 - Flight Information
 - AWB Detail
- Carrier related documents (click to activate)**
- Vessel/Voyage related documents (click to activate)**

This page shows all possible search criteria through which you can retrieve a gbl. Combinations of different search criteria is possible

The screenshot shows a Windows Internet Explorer browser window with the address bar set to `http://194.78.180.99/Carrier/export.asp`. The page content includes the GovLog logo and the text "GOVERNMENT LOGISTICS". Below the logo, the word "Export" is displayed. To the left of the main content area, there are three file format icons: XML, CSV, and XLS. To the right of these icons is a "Separator" dropdown menu. A yellow callout box with a pointer to the main content area contains the following text: "This page allows you to export data as shown on the List Page to different files formats as shown. This also allows you to work with this date separate from the Gosselin Military Tracking System, and use it to import this data in your own system." At the bottom right of the page content, there is a "Back" button. The browser's status bar at the bottom shows "Done" and "Internet" with a 100% zoom level.

The screenshot shows a web browser window displaying the GovLog application. The page title is "North Atlantic Services - NVOCC". There are three tabs: "Vessel", "Ocean Bill", and "Invoices". The "Vessel" tab is active, showing a table of shipments. Callout boxes provide instructions on how to use the interface.

Callout 1 (Top Left): This TAB shows you the NAS Invoice Selection Page

Callout 2 (Top Right): This link shows you the Consigned Port-Agent Address

Callout 3 (Bottom Left): Click on the Gbl Number for detailed shipment information

Callout 4 (Bottom Center): This page shows the shipments on the ocean bill for a specific Vessel, Voyage Number, and/or Container Number.

Callout 5 (Bottom Right): This TAB shows the Vessel Information Page.
